Sunrise at Reine Lofoten-Sven-Erik Knoff - VisitNorway.com

Hei!

Welcome to the brand-new newsletter from Visit Norway.
You might have missed us lately. We have surely missed you!

Travelling during a pandemic might be complicated. Yet may inspiration and knowledge about Norway help you in your work with planning future travels to Norway.

Yours,

Ingunn Sakshaug
Visit Norway Travel Trade Team

Norway's highlights in the coming years

Want to see Scream with a view? The iconic new Munch Museum will soon open in Oslo. But that is only one of many new attractions opening in Norway in the next couple of years. Among them are the Whale, the Arc, Kunstsilo, self-driving ferries and more. Check out what makes them so stunning!

New hotel openings in 2021/2022

Get inspired and check out new hotels to visit and offer to your customers when it is time to travel again.

Sommerro House interior - Photo :Lars Petter Pettersen

[1624](#) - Kongsvinger, opens autumn 2021. A spectacular building with a large roof terrace. The city's status as high-tech will be reflected all through the hotel. (Norwegian only)

[Miklagard](#) - Oslo Region, opens February 11th 2021. A new and untraditional hotel with oriental-inspired spa and access to Norway's best golf course make stiff muscles smile again.

[Quality Hotel™ Bodø](#) - opens May 2021. The hotel will open in a completely new area on the harbour promenade close by is the train station, the Hurtigruten quay, shopping opportunities as well as cultural offerings. Cash free hotel

Comfort Hotel Bodø - opens 2021. The hotel will be part of the housing concept The Storm, which will be a 16-storey building also including apartments, centrally located in Bodø. Will this become the city's coolest meeting place?

[The Well](#) - Oslo Region, opens June 2021. A stylish and modern hotel to complete a special spa stay. Naked or not? (Norwegian page only)

[Moxy Bergen](#) - opens March 2021. For travellers that are looking for affordable accommodation without compromising on quality and style. The hotel offers large social areas with all kinds of entertainment to guests and local drop-ins.

[Moxy Tromsø](#) - opens 2021. Because of the surrounding beauty of Tromsø's nature the hotel was designed to have reception and common areas on the top floor – for guests to enjoy the fantastic view.

[Sorrisniva - Arctic Wilderness Lodge](#) Alta, opens October 2021. The new 24 suite lodge with panoramic windows in all rooms extending from the floor into the ceiling maximising the views and enables the possible viewing of Northern lights and endless summer nights from the comfort of the room.

[Sure Hotel by Best Western Stjørdal](#)- opens May 2021. The new airport hotel with 120 rooms in Tangen Business Park is only 6 minutes from Værnes. (Norwegian only)

[Scandic Sortland](#) - opens March 15th 2021. The new hotel, then the largest hotel in Vesterålen, has a unique location at the quayside which grants panoramic views of the fjord and the beautiful mountains.

[Sommerro House](#), Oslo – opens summer 2022. A redefined neighbourhood hotel that stands as a community in its own right, an open house with a hub of restaurants and bars, plans for a library and a small private cinema, and the city's first rooftop pool, sauna and terrace.

[Quality Hotel™ Harstad](#) - open July 2022. The new hotel at the seafront of Northern Norway's main culture capital (Norwegian page).

[Marawell Oslo Airport City](#) – opens in 2022. Marawell (Haut Nordic's news hotel brand) is the first hotel in Norway to offer a lifestyle guarantee.

Folgefonna Welcome Center

A secluded highlight from Hardangerfjord is definitely the new [Folgefonna Welcome Center](#) which opened its doors already last autumn. An architectural highlight with restaurant and café with fantastic views to the amazing glacier, the fjord and surrounding mountains. The Welcome center also houses the [Fonna Glacier Ski Resort](#) (the ski center at Folgefonna) and the [Folgefonna Glacier Team](#).
